Jeff:

See my comments on the 1900-55. Let me know if you guys can correct this otherwise I won't worry about this now. We need to state what the purchases are for meaning what equipment it was used for. We will have PRPs so we need to make sure we are detailed.
Thanks

Gary,

Please see attached the RMCS report with labor and expenses through 9/26/14. Let me know if you have any questions or comments.

Thanks!
